

## Another Benefit of your Membership in the Ontario Pollution Control Equipment Association (OPCEA)

OPCEA is pleased to introduce money-saving Member Benefits offered through JVK Life & Wealth Insurance Group.

We encourage all Members to take advantage of the OPCEA Association Health & Dental Plan, underwritten by Manulife Financial.

Your participation in this plan generates revenue for OPCEA programs and services.

Benefits include:

- Prescription drugs, dental services, orthotics, vision care and hearing aids, registered specialists and therapists, travel coverage and much more
- Plans available to all individual Members, their families and/or their employees
- No minimum participation requirement. As little as 1 person can apply
- No medical information required for the guaranteed issue Base Plan
- Benefit card, online claims and direct deposit
- Tax deductible expense for business owners
